Information Disclosure Statement

The Information Disclosure Statement under 37 C.F.R. 1.97 has been received and reviewed. However, the information disclosure is not deemed to be pertinent over the prior art of record.

Claim Rejections - 35 USC § 112

1. Claim 2 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 2, lines 2 and 3, the terminology "desired material" and "desired crystal" is being considered vague and indefinite. Use of terms such as "desirable" and "appropriate" when referring to certain parameters do not limit present disclosure to specific percentages recited. --Payet and Brummet v. Swidler and Wilson (POBdPatInter) 207 USPQ 168. Please correct.

Allowable Subject Matter

2. Claims 1 and 3-17 are allowed.

3. The following is a statement of reasons for the indication of allowable subject matter: The most relevant prior art of reference is that which was submitted by the applicants. However, they do not teach nor fairly suggest the instant invention.
